The scout is to bring their manual and materials they prepared throughout their time as participants.

For the Board of Review panel, each family is expected to provide a drink or food item for a refreshments table.

May

Convocation Mass

Date and Time TBD

Pope Pius XII graduates will be presented their medals from the Bishop during this Mass. Families and troops are encouraged to attend. This fulfills the Sunday obligation for Mass. A social will follow this Mass.

**Since the presentations take up a lot of time, especially for many scouts, there are multiple days scheduled. Each Pope Pius XII participant will only have to go to one of these sessions in which they will be doing their presentation. Which session the scout will be going to will be decided by January 1st, 2026. The times may also adjust.*

***Since the Board of Reviews only happen for "1" scout at a time, a tentative schedule for when a scout is to arrive will be published by February 1st, 2026. The scout is to arrive at least "15" minutes before their Board of Review to go over their manual with the facilitator and address any last minute details. Depending on the number of emblem participants, there may be multiple Board of Reviews at a time.*
